

SACRED SCENTS
ONE SCENT · EVERY MONTH

THE FIRST OF ITS KIND

A flame is a
constant flow of
amazing energy.

*I highly believe the energy that goes
in also flows out.*

Focusing only on detail: literally hundreds,
300+ every month, brought to the fully
cured stage and then **burn-tested** — each
always containing a full story that will
always be **timestamped in history**. At
Sacred Scents, we get to put in the work,
and make everything transparent at a level
that will be completely new to the candle
world.

You're not just buying the
provably best-in-every-way
candle. *You're buying the
opportunity to be able to burn one.*

*Everybody wants one. Not
everybody gets one.*
